

SAIRA FATIMA

Bio

Doing software Engineering from National University of Science and Technology. Quantum Cryptography, Machine Learning, Cyber security, Artificial Intelligence and Android Development are the areas where I find myself wildly interested. I have engaged myself in Social work for 4 years. Recently started my career in motivational writing to motivate youth.

Experience

August 2018–present

Graphic Artist • Volunteer • HR Spectra Magazines

I am currently working with Spectra Magazines as a volunteer. I design Illustrations, Infographics, Flyers, Cartoons and a lot of other graphic designing stuff here.

July 2018–August 2018

Graphic Artist • Intern • HR Spectra Magazines

I have done an internship at HR spectra Magazine. I was selected for a complete course of graphics deigning. I have completed the internship and you can find certificate attached with my resume.

[View Certificate](#)

2013–Present

Social Worker • Volunteer • Shirkat Gah

Done many projects with Shirkat Gah working on human rights especially on women rights. Also working with Sudhaar Development Organization to empower youth providing them skills like critical thinking and encouraging them to work for society.
